B. Financial Information

This information is required of ALL charter schools. Provide the following measures of fiscal performance of the charter school in Appendix B (Total Expenditures and Administrative Expenditures Per Child):

1. Total Expenditures Per Child

To calculate '**Total Expenditures per Child**' take total expenditures (from the unaudited 2014-15 Schedule of Functional Expenses) and divide by the year end per pupil count. (Integers Only. No dollar signs or commas).

Line 1: Total Expenditures	4702074
Line 2: Year End Per Pupil Count	295
Line 3: Divide Line 1 by Line 2	15939

2. Administrative Expenditures per Child

To calculate '**Administrative Expenditures per Child**' take the relevant portion from the 'personnel services cost' row and the 'management and general' column (from the unaudited 2014-15 Schedule of Functional Expenses) and divide by the year end per pupil count. The relevant portion that must be included in this calculation is defined as follows:

Administrative Expenditures: Administration and management of the charter school includes the activities and personnel of the offices of the chief school officers, the treasurer, the finance or business offices, the purchasing unit, the employee personnel offices, the records management offices, or a public information and services offices. It also includes those administrative and management services provided by other organizations or corporations on behalf of the charter school for which the charter school pays a fee or other compensation.

Please note the following:

- Do not include the FTE of personnel dedicated to administration of the instructional programs.
- Do not include Employee Benefit costs or expenditures in the above calculations.
- A template for the Schedule of Functional Expenses is provided on page 20 of the 2014-15 Annual Report Guidelines to assist schools identify the categories of expenses needed to compute the two per pupil calculations. This template does not need to be completed or submitted on August 1st as it will be submitted November 1st as part of the audited financial statements. Therefore schools should use unaudited amounts for these per pupil calculations. (See the 2014-15 Annual Report Guidelines in "Resources" area of your portal task page).

To calculate '**Administrative Expenditures per Child**' take the relevant portion from the 'personnel services cost' row and the 'management and general' column (from the 2014-15 Schedule of Functional Expenses) and divide by the year end per

pupil count. (Integers Only. No dollar signs or commas).

Line 1: Relevant Personnel Services Cost (Row)	1470453
Line 2: Management and General Cost (Column)	583374
Line 3: Sum of Line 1 and Line 2	2053827
Line 4: Year End Per Pupil Count	295
Line 5: Divide Line 3 by the Year End Per Pupil Count	6962

Thank you.

INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees
Cultural Arts Academy Charter School At Spring Creek

Report on the Financial Statements

We have audited the accompanying financial statements of Cultural Arts Academy Charter School At Spring Creek (the "School"), which comprise the statement of financial position as of June 30, 2015, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the School's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the School's internal control. Accordingly we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Cultural Arts Academy Charter School At Spring Creek as of June 30, 2015, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Report on Summarized Comparative Information

We have previously audited Cultural Arts Academy Charter School At Spring Creek's 2014 financial statements and we expressed an unmodified audit opinion on those audited financial statements in our report dated October 31, 2014. In our opinion, the summarized comparative information presented herein as of and for the year ended June 30, 2014 is consistent, in all material respects, with the audited financial statements from which it has been derived.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated October 27, 2015, on our consideration of Cultural Arts Academy Charter School At Spring Creek's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Cultural Arts Academy Charter School At Spring Creek's internal control over financial reporting and compliance.

CULTURAL ARTS ACADEMY CHARTER SCHOOL AT SPRING CREEK

NOTES TO FINANCIAL STATEMENTS JUNE 30, 2015

1. NATURE OF THE ORGANIZATION

Cultural Arts Academy Charter School At Spring Creek (the "School") is a public charter school, as defined by Article 56 of The New York State Education Law, which provides education based on an academically rigorous arts education program that promotes superior scholarship and strong cultural arts proficiency. On February 9, 2010, the Board of Regents of the University of the State of New York (the "State") granted the School a provisional charter valid for a term of five years and renewable upon expiration. The charter was extended until June 30, 2017. The School operates under this charter and the State is responsible for oversight of the School's operations.

On November 10, 2010, the School, as determined by the Internal Revenue Service, was approved for Federal income tax exemption under section 501(a) of the Internal Revenue Code ("IRC") as an organization described in Section 501(c)(3) of the IRC. It is also currently exempt under a similar provision under New York State income tax laws. The School has also been classified as an entity that is not a private foundation within the meaning of Section 509(a) of the IRC and qualifies for deductible contributions as provided in section 170(b)(1)(A)(ii) of the IRC. The School's primary sources of income are per pupil and other government funding.

The School operated classes for students in kindergarten through fifth grade in fiscal year 2015, and kindergarten through fourth grade in fiscal year 2014.

Enrollment of available classroom slots is open to all potential student candidates with preference given to children residing in the district of southeast Brooklyn. A lottery is held to award these available spots. If one child in a family is selected in the lottery then all eligible children in the family are accepted for enrollment.

2. SIGNIFICANT ACCOUNTING POLICIES

Financial Statement Presentation

The School's financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

The classification of the School's net assets and its support, revenues and expenses is based on the existence or absence of donor-imposed restrictions. It requires that the amounts for each of the three classes of net assets – permanently restricted, temporarily restricted, and unrestricted – be displayed in a statement of financial position and that the amounts of change in each of those classes of net assets be displayed in a statement of activities.

These classes are defined as follows:

Permanently Restricted – Net assets resulting from contributions and other inflows of assets whose use by the School is limited by donor-imposed stipulations that neither expire by passage of time nor can be fulfilled or otherwise removed by actions of the School.

Temporarily Restricted – Net assets resulting from contributions and other inflows of assets whose use by the School are limited by donor-imposed stipulations that either expire by passage of time or can be fulfilled and removed by actions of the School pursuant to those stipulations. When such stipulations end or are fulfilled, such temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities. However, if a restriction is fulfilled in the same period in which the contribution is received, the School reports the support as unrestricted.

Unrestricted – The part of net assets that is neither permanently nor temporarily restricted by donor-imposed stipulations.

2. SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Cash

Cash-restricted is an escrow account of \$75,101, which is held aside for contingency purposes as required by the Education Department of the State University of New York.

Grants Receivable

Grants receivable represent amounts due from federal grants. Grants receivable are expected to be collected within one year, are recorded at net realizable value, and amount to \$17,567 and \$40,402 at June 30, 2015 and 2014, respectively. The School has determined that no allowance for uncollectible accounts for grants receivable is necessary as of June 30, 2015 and 2014. Such estimate is based on management's assessments of the creditworthiness of its grantors, the aged basis of its receivables, as well as current economic conditions and historical information.

Revenue Recognition

Revenue from the state and local governments resulting from the School's charter status is based on the number of students enrolled and is recorded when services are performed in accordance with the charter agreement.

Revenue from federal, state and local government grants and contracts are recorded by the School when qualifying expenditures are incurred and billable. Funds received in advance for which qualifying expenditures have not been incurred would be reflected as refundable advances from state and local government grants in the accompanying statement of financial position.

Donated Goods and Services

The School receives contributed goods and services that are an integral part of its operations. Such goods and services are only recorded as contributions in-kind at their fair value, provided they meet the criteria for recognition. Donated goods are recognized if the goods provide a benefit to the School and would have otherwise been purchased. Donated goods consist of student meals and are estimated at \$287,711 and \$268,351 for the years ending June 30, 2015 and 2014, respectively, and are reflected as both income and expense in the accompanying financial statements.

Property and Equipment

Property and equipment are stated at cost and are depreciated on the straight-line method over the estimated useful lives of the assets. The School has established a \$10,000 threshold above which assets are capitalized. Maintenance and repairs are charged to expense as incurred; major renewals and betterments are capitalized.

Impairment

The School reviews long-lived assets to determine whether there has been any permanent impairment whenever events or circumstances indicate the carrying amount of an asset may not be recoverable. If the sum of the expected future undiscounted cash flows is less than the carrying amount of the assets, the School recognizes an impairment loss. No impairment losses were recognized for the years ended June 30, 2015 and 2014.

2. SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Deferred Rent

In accordance with U.S. GAAP, rent expense is recognized on a straight-line basis over the life of the lease, including future escalations of rent, rather than in accordance with lease payments. Deferred rent represents the adjustment to future rents as a result of using the straight-line method.

Functional Allocation of Expenses

Expenses that can be directly identified with the program or supporting service to which they relate are charged accordingly. Other expenses by function have been allocated among program and supporting service classifications based upon benefits received.

Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Subsequent Events

The School has evaluated events through October 27, 2015, which is the date the financial statements were available to be issued.

Comparative Financial Information

The June 30, 2015 financial statements include certain prior year summarized comparative information in total but not by net asset class. In addition, only certain notes to the financial statements for June 30, 2014 are presented. As a result, the June 30, 2014 comparative information does not include sufficient detail to constitute a presentation in conformity with U.S. GAAP. Accordingly, such June 30, 2014 information should be read in conjunction with the School's financial statements as of and for the year ended June 30, 2014, from which the summarized information was derived.

Income Taxes

The School follows the accounting standard for uncertainty in income taxes. The standard prescribes a minimum recognition threshold and measurement methodology that a tax position taken or expected to be taken in a tax return is required to meet before being recognized in the financial statements. It also provides guidance for derecognition, classification, interest and penalties, disclosure, and transition.

The School files an informational return in the federal jurisdiction. With few exceptions, the School is no longer subject to federal, state, or local income tax examinations for fiscal years before 2012.

The School believes that it has appropriate support for the positions taken on its tax returns. Nonetheless, the amounts ultimately paid, if any, upon resolution of the issues raised by the taxing authorities may differ materially from the amounts filed. Management believes that its nonprofit status would be sustained upon examination.

Should there be interest on underpayments of income tax, the School would classify it as "Interest Expense." The School would classify penalties in connection with underpayments of tax as "Other Expense."

2. SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Recent Accounting Pronouncement

In May 2014, the Financial Accounting Standards Board ("FASB") issued an accounting standard update which affects the revenue recognition of entities that enter into either (1) certain contracts to transfer goods or services to customers or (2) certain contracts for the transfer of nonfinancial assets. The update indicates an entity should recognize revenue in an amount that reflects the consideration the entity expects to be entitled to in exchange for the goods or services transferred by the entity. The update is to be applied to the beginning of the year of implementation or retrospectively and is effective for annual periods beginning after December 15, 2018 and in interim periods in annual periods beginning after December 15, 2019. Early application is permitted but no earlier than annual reporting periods beginning after December 31, 2016. The School is currently evaluating the effect the update will have on its financial statements.

Reclassification

Certain amounts in the prior year financial statements have been reclassified for comparative purposes to conform to the presentation in the current year financial statements. This reclassification had no effect on previously reported change in net (deficit) assets.

3. PROPERTY AND EQUIPMENT

Property and equipment consist of the following at June 30:

	2015	2014	Estimated Useful Lives
Furniture and fixtures	\$ 135,491	\$ 135,491	7 years
Computer hardware and software	<u>82,184</u>	<u>82,184</u>	5 years
	217,675	217,675	
Less: accumulated depreciation	<u>(132,934)</u>	<u>(97,141)</u>	
	<u>\$ 84,741</u>	<u>\$ 120,534</u>	

Depreciation expense for the years ended June 30, 2015 and 2014 was \$35,793 and \$35,795, respectively.

4. RELATED PARTY TRANSACTIONS

The School had a five year operating lease agreement with Christian Cultural Center ("CCC"), a not-for-profit organization, which commenced on July 1, 2010 and expired on June 30, 2015. Subsequent to year end, the lease was renewed for three years and will expire on June 30, 2018. The School is to pay rent in the amount of \$36,050 a month from July 1, 2015 through June 30, 2016, \$37,151.50 a month from July 1, 2016 through June 30, 2017, and \$38,245 a month from July 1, 2017 through June 30, 2018. The chief executive officer of CCC is a founding member and board member of the School.

During the year, CCC made cash contributions in the amount of \$131,000, and provided food services in the amount of \$287,711 to the School.

CULTURAL ARTS ACADEMY CHARTER SCHOOL AT SPRING CREEK

NOTES TO FINANCIAL STATEMENTS JUNE 30, 2015

5. PENSION PLAN

Effective September 1, 2011, the School adopted a 403(b) profit sharing plan (the "Plan") which covers most of the employees. The Plan is a defined contribution plan. Employees are eligible to enroll in the Plan on the first day of employment or the first day of the first, fourth, seventh, or tenth month of the Plan year, if they are at least 21 years in age. The Plan provides for the School to make discretionary contributions. The School contribution does not become vested until the participant's sixth year when it becomes fully vested. For the years ended June 30, 2015 and 2014, the School did not contribute to the Plan.

6. RISK MANAGEMENT

The School is exposed to various risks of loss related to torts; thefts of, damage to, and destruction of assets; injuries to employees; and natural disasters. The School maintains commercial insurance to help protect itself from such risks.

The School entered into contractual relationships with certain governmental funding sources. The governmental agencies may request return of funds as a result of noncompliance by the School. The accompanying financial statements make no provision for the possible disallowance or refund.

7. CONCENTRATIONS

Financial instruments that potentially subject the School to concentrations of credit risk consist principally of cash deposits at a major financial institution that, at times, exceeded the Federal Deposit Insurance Corporation insured limits of \$250,000.

The School received approximately 87% and 88% of its total revenue from per pupil funding from the New York City Department of Education during the years ended June 30, 2015 and 2014, respectively.

Two grantors accounted for approximately 100% of grants receivable at June 30, 2015. Two grantors accounted for approximately 98% of grants receivable at June 30, 2014.

Two vendors accounted for approximately 75% of accounts payable at June 30, 2015. Two vendors accounted for approximately 59% of accounts payable at June 30, 2014.

Independent Auditor's Report on Internal Control over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance With Government Auditing Standards

To the Board of Trustees
Cultural Arts Academy Charter School At Spring Creek

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the financial statements of Cultural Arts Academy Charter School At Spring Creek (the "School"), which comprise the statement of financial position as of June 30, 2015, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated October 27, 2015.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the School's internal control over financial reporting ("internal control") to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the School's internal control. Accordingly, we do not express an opinion on the effectiveness of the School's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the School's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations during our audit, we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the School's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

We noted certain other matters that we reported to management of the School in a separate letter dated October 27, 2015.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the School's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the School's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

ENROLLMENT AND RETENTION PLAN

Cultural Arts Academy Charter School at Spring Creek understands the need to enroll and retain specific student populations in numbers comparable to the NYC CSD #18. Meeting the targets for students with disabilities (SWD), English language learners (ELL) and students who qualify for free or reduced price lunch (FRL) is a challenge.

Subgroup	CSD 18	CAACS
FRL	83.5%	37.1
ELL	5.1%	0%
SWD	16.2%	14.2

Recruitment Efforts

Our recruitment initiatives will include handing out flyers, attending school fairs, going to local churches, meeting local representatives, and attending community events, radio spots, newspaper articles, and interviews. Social media like Facebook and Twitter are also two methods we will use. Our website can be viewed in multiple languages. We will connect all of these on our website, enabling visitors to see any kind of activity happening with the school.

SPECIAL EDUCATION INITIATIVES:

CAACS collaborates with our local Committee on Special Education for District 18. Since 2011-2012, we have been a member of the NYC Charter Center Special Education Collaborative and will continue to participate. This organization, the NYC Special Education Collaborative, focuses on assisting schools with starting and operating successful special education programs. Specific benefit details for all four types of membership are available for download.

- **Program Support:** Dedicated hours of support, technical assistance, and NYCDOE advocacy!
- **Conferences :** Annual conference admission and seats at mini-conference series with national speakers!
- **Staff Training :** Verbal de-escalation and restraint training, monthly instructional training, counseling staff support, discounts to fee-based training!
- **Teacher Recruitment:** Career fair table and job postings
- **Resources :** Common Core IEP goal bank access, access to resource library

We host an annual breakfast for all of our families who have students with disabilities. All of our service providers make a presentation and we exhibit curriculum and assistive technology that our parents can order.

Brochures that describe our special education programming have been distributed throughout the community. In order to reach the families of special needs students, we utilize many networks that already exist in the community. CAACS will continue to build relationships with support organizations to gain familiarity with the services they provide. We will continue to create a database of support services to the families so these organizations know about our school and its special education program and make recommendations to the families they serve. We know that most families hear about our school by word of mouth. Additionally, members of our CAACS staff have their own children who receive special education services; they are also connecting us with information and programs that they use for their own children.

ENGLISH LANGUAGE LEARNERS:

- Translate all materials into the predominantly spoken languages of our district and community
- Use non-English media, approach community- and faith-based organizations serving the language group, recent immigrant support services
- Describe our ELL programs in our marketing materials
- Describe programs at all recruiting/outreach events and on our website

Advertisements have been placed in the following publications: the Canarsie Courier and the Spring Creek Sun. In these publications we specifically mentioned that the school provides services to students for whom English is their second language, as well as SWD's. Fliers were distributed in English, Haitian Creole and Spanish to families throughout the community. Distribution sites included daycare centers, grocery stores, community centers, and churches. These fliers invite families to attend the Annual Open House. To ensure the retention of accepted students, and in compliance with federal requirements to identify potential ELL students, the school asked these families to complete a "Home Language Questionnaire." Information from this survey ensures that each child for whom English is a second language is provided the services he/she needs to succeed in school.

We will continue to monitor the efficacy of our recruitment and enrollment efforts by carefully tracking student enrollment numbers. Through our robust data warehouse, we collect detailed information on trends in at-risk student populations, report to the Board on enrollment trends, and adjust the marketing strategy, as needed.

"thirty per centum or 5 teachers, whichever is less"

To comply with NYS Education Law Section 2854(3)(a-1), please report the (FTE) count of uncertified and certified teaching staff as of the last day of school for the 2014-15 school year.

Page 1

Charter School Name: 331800860988 CULTURAL ARTS ACADEMY-SPRING CREEK

Note Definition of FTE:

Full-time equivalent employees equal the number of employees on full-time schedules plus the number of employees on part-time schedules converted to a full-time basis. The number of full-time equivalent employees in each industry is the product of the total number of employees and the ratio of average weekly hours per employee for all employees to average weekly hours per employee on full-time schedules. An industry's full-time equivalent employment will be less than the number of its employees on full- and part-time schedules, unless it has no part-time employees (U.S. Commerce--Bureau of Economic Analysis at: http://www.bea.gov/faq/index.cfm?faq_id=368#sthash.8Rbj89kq.dpuf)

How many **UNCERTIFIED** Full-Time Equivalent Teachers were employed in the charter school as of last day of school in 2014-15?

For each applicable category (i-iv), input the relevant full time equivalent (FTE) count of teachers.

	FTE - (June 30, 2015)
(i) uncertified teachers with at least three years of elementary, middle or secondary classroom teaching experience	1
(ii) individuals who are tenured or tenure track college faculty	1
(iii) individuals with two years satisfactory experience through Teach for America	
(iv) individuals who possess exceptional business, professional, artistic, athletic, or military experience	1
FTE count of uncertified teachers who do not fit into any of the four statutory categories

MISSION STATEMENT AND KEY DESIGN ELEMENTS

Cultural Arts Academy Charter School at Spring Creek will begin its 2nd charter in 2015-2016. For 4 consecutive years, The AYP (Annual Yearly Progress) Status of CAACS has been a designation of “In Good Standing “ from the NYSED, every year. This designation is determined by the New York State Department of Education under the Elementary and Secondary Education Act (ESEA) Flexibility Waiver. In our inaugural year, 2010-2011, the average daily attendance for CAACS reached 95% and over 150 times, and 75% of our CAACS students were on the honor roll. Our average daily attendance continues to be 94-100% percent. 91% of our parents completed the 2014 NYCDOE survey and 100% of our teachers completed the NYCDOE survey. 2010-2014 has been the formative years of the Cultural Arts Academy Charter School at Spring Creek vision for education and the foundation is strong.

According to the most recent NYC Survey, 97% of CAACS parents said that their child's school helps me understand what the Common Core Learning Standards mean for my child. 94% of the teachers say that overall, their professional development experiences this school year have helped them shift their practice to align to the Common Core Learning Standards. 17 out of 18 teachers agree that teachers at my school understand the key shifts in pedagogy that the Common Core Learning Standards require. 70% of the scholars were on the Honor Roll.

- In 2012-2013, CAACS outperformed 62% of CSD 18 elementary schools.
- In 2012-2013, on the NYS assessments in ELA, CAACS outperformed 55% of elementary schools citywide and 77% of CSD 18 elementary schools.
- In 2013-2014, the percent of students at CAACS who demonstrated proficiency on NYS assessments in ELA increased. With this level of proficiency, CAACS outperformed 60% of elementary schools citywide, 43% of its peer schools and 93% of elementary schools in CSD 18.
- 90% of fourth grade students at Cultural Arts Academy Charter School at Spring Creek performed at or above Level 3 on the NYS Science exam.
- Each year, the school has been deemed In Good Standing on the NYS Report Card.
- The school has shown evidence of efforts to establish a strong focus on collecting and analyzing data, which can positively impact academic rigor and the quality of instruction.
- The Board currently has nine members, which is consistent with the established bylaws.
- There are clear lines of accountability between the Board and school leadership as evidenced by the school's organization chart and school leadership's monthly updates on academic, financial, and operational performance to the Board, as recorded in Board meeting minutes.
- Over the course of the school's charter term, the school has developed a strong and stable school culture.

- There was no material weakness noted in the four independent financial audits.
- For the 2014-2015 school year, the school had an application deadline of April 1, 2014 and lottery date of April 3, 2014, adhering to charter law's requirement of accepting applications up to at least April 1. Over the course of the charter term, the school did consistently adhere to this requirement.
- The Board did consistently submit the Annual Report to the New York State Education Department (NYSED) by the deadline of August 1 (or by the NYSED granted extension date) for each year of the 1st charter term.
- The school has submitted required documentation for teacher certification and is compliant with state requirements for teacher certification.
- The school has submitted its required immunization documentation and is in compliance with Department of Health standards of 99% for immunization.
- The school has submitted appropriate insurance documents to the NYC DOE.
- The school has submitted the required safety plan. The school has the required number of staff with AED/CPR certification.
- The School Leader is trained in General Response Protocols/Fire Emergency Drill Conductor for NYC, as mandated by the NYC Fire Department.
- Over the course of the charter term, the school did consistently submit complete invoicing and reconciliation documents by the associated deadlines.
- All staff members have appropriate fingerprint clearance.
- Cultural Arts Academy Charter School at Spring Creek is in process to receive designation as a Lighthouse School in the Leader In Me Program. Lighthouse recognition comes because of the results a school is achieving and the impact it is having on staff, students, parents and the greater community.
- Cultural Arts Academy Charter School at Spring Creek applied to become an International Baccalaureate World School. CAACS received official IB Candidate Status on May 2, 2014 and is currently in year two of a three-year process.
- The NYC DOE conducted a public renewal hearing on October 16, 2014. Approximately 136 participants attended the hearing with 17 persons speaking in support of the school's renewal and none speaking in opposition.
- The NYC DOE made randomized phone calls to parents/guardians from a roster provided by the school for students of all grades. Calls to school parents/guardians were made in November 2014 until 20 phone calls were completed. Of these calls, 100% provided positive feedback regarding the school.
- A comparison of the enrollment projections for the 2014-2015 budget to the actual enrollment as of September 30, 2014 revealed that the school had met its enrollment target, supporting its projected revenue.
- As of the FY14 and FY15 financial audit, the school had met its debt obligations.

Mission for the 2nd charter term:

Cultural Arts Academy Charter School's mission is to provide a college preparatory education (*Curriculum and Instruction*) with exemplary cultural arts proficiency (*The Arts*) to young leaders (*Leader In Me*) who will profoundly impact the human condition (*International Baccalaureate*).

Slogan: “Where Leaders Grow Up.”

CULTURE AND COMMUNITY

The
LeaderinMe™

great happens here

We enable greatness in people and organizations everywhere.

The Leader in Me is a whole-school culture transformation model. Based on *The 7 Habits of Highly Effective People*, *The Leader in Me* equips students with the self-confidence and skills they need to thrive in the 21st-century economy. It started in 1999 when struggling school A.B. Combs Elementary was asked to reinvent itself or be shut down. In 2006 and 2014, A.B. Combs became the #1 magnet school in the country. In 2008, Dr. Stephen R. Covey published the book *The Leader in Me*, which documents the leadership model these schools pioneered and its outcomes for staff, students, parents, and the community. *The Leader in Me* process is now being implemented in over 1500 schools worldwide. Schools are consistently reporting:

- Increases in students’ self-confidence, teamwork, initiative, creativity, leadership, problem solving, communication, diversity awareness, and self-directed learning.
- Improved school culture.
- Dramatic decreases in disciplinary issues.
- Increased teacher pride and engagement.
- Greater parent satisfaction and involvement.

Westgate Research, Inc. conducted a study with 260 Leader in Me School principals regarding the impact of *The Leader in Me* in their schools. 99 percent of principals reported that *The Leader in Me* had a “very positive” or “positive” impact in their school and 87 percent said they were “extremely likely” to recommend *The Leader in Me* to another school principal. When The Staten Island School of Civic Leadership opened its doors, it used *The Leader in Me* and *7 Habits* as a foundational philosophy. Three years later it was named New York City’s top school, as measured by the NYCDOE Progress Report. Read what renowned educational thought leader Harry Wong has to say about his visit to the school.

ACADEMIC RIGOR AND GLOBAL READINESS

International
Baccalaureate

The International Baccalaureate aims to develop inquiring, knowledgeable and caring young people who help to create a better and more peaceful world through intercultural understanding and respect. To this end the organization works with schools, governments and international organizations to develop challenging programmes of international education and rigorous assessment. These programmes encourage students across

the world to become active, compassionate and lifelong learners who understand that other people, with their differences, can also be right.

On May 2, 2014, Cultural Arts Academy Charter School at Spring Creek became authorized as an International Baccalaureate Candidate School.

The IB program is focused on developing international-mindedness in students ages 3-19. It has

- a rigorous, comprehensive curriculum encouraging student curiosity and inquiry
- teachers, leaders, and staff trained in the IB programme and philosophy
- school leadership and administrative structures that serve its mission and support the IB programme
- a comprehensive plan for implementation and sustainability of the IB programme.

Once authorized, IB World Schools engage in ongoing professional development and periodic evaluation. They benefit from a wide range of materials and various regional and global networking and engagement opportunities. IB schools and students are well positioned to incorporate the principles of the CCSS into existing IB frameworks. The IB recognizes that the implementation of the Common Core State Standards (CCSS) will have a significant impact on public schools in the US and in IB schools worldwide that follow a US curriculum.

The Primary Years Program (PYP) is a curriculum framework defined by six transdisciplinary themes of global significance, explored using knowledge and skills from the subject areas, with a powerful emphasis on inquiry-based learning. According to the PYP, “curriculum” revolves around the concept of learners constructing meaning, and everyone at a PYP school, including the teachers, is a learner. The PYP model of curriculum is student-centered. It is founded on the belief that learning occurs when students (and teachers) build on their prior knowledge and engage in activities that help them construct new understandings. This process involves continuous self-reflection, the freedom to ask questions, the motivation to take risks and the desire to take action based on what one has learned. The PYP curriculum is composed of three interrelated and equally important components. Each component is expressed as a question, in keeping with the spirit of inquiry found throughout the Primary Years Program.

On April 10, 2015, Cultural Arts Academy Charter School at Spring Creek became an official chapter of the National Elementary Honor Society.

The National Elementary Honor Society was established in 2008 with two primary purposes: to recognize students who have achieved academic excellence and demonstrated responsibility in their lives, and to engage those students, through the work of the chapter, in

service and leadership development activities. NEHS now is the first stage for students in a process that can bring recognition in the elementary, middle level, and high school years to those students who commit to achievement.

B. Financial Information

This information is required of ALL charter schools. Provide the following measures of fiscal performance of the charter school in Appendix B (Total Expenditures and Administrative Expenditures Per Child):

1. Total Expenditures Per Child

To calculate 'Total Expenditures per Child' take total expenditures (from the unaudited 2013-14 Schedule of Functional Expenses) and divide by the count of students you reported on of BEDS Day. (Integers Only. No dollar signs or commas).

1. Total Expenditures Per Child Line 1: Total Expenditures	4452966
1. Total Expenditures Per Child Line 2: BEDS Day Pupil Count	255
1. Total Expenditures Per Child Line 3: Divide Line 1 by Line 2	17463

2. Administrative Expenditures per Child

To calculate 'Administrative Expenditures per Child' take the relevant portion from the 'personnel services cost' row and the 'management and general' column (from the unaudited 2013-14 Schedule of Functional Expenses) and divide by the BEDS per pupil count. The relevant portion that must be included in this calculation is defined as follows:

Administrative Expenditures: Administration and management of the charter school includes the activities and personnel of the offices of the chief school officers, the treasurer, the finance or business offices, the purchasing unit, the employee personnel offices, the records management offices, or a public information and services offices. It also includes those administrative and management services provided by other organizations or corporations on behalf of the charter school for which the charter school pays a fee or other compensation.

Please note the following:

Do not include the FTE of personnel dedicated to administration of the instructional programs.

Do not include Employee Benefit costs or expenditures in the above calculations.

A template for the Schedule of Functional Expenses is provided on page 21 of the 2012 Annual Report Guidelines to assist schools identify the categories of expenses needed to compute the two per pupil calculations. This template does not need to be completed or submitted on August 1st as it will be submitted November 1st as part of the audited financial statements. Therefore schools should use unaudited amounts for these per pupil calculations. (See the 2013-14 Annual Report Guidelines in "Resources" area of your portal task page).

INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees
Cultural Arts Academy Charter School At Spring Creek

Report on the Financial Statements

We have audited the accompanying financial statements of Cultural Arts Academy Charter School At Spring Creek (the "School"), which comprise the statement of financial position as of June 30, 2014, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the School's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the School's internal control. Accordingly we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

An Independent Member of Baker Tilly International

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Cultural Arts Academy Charter School At Spring Creek as of June 30, 2014, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Emphasis of a Matter

As discussed in Note 3 to the financial statements, the School is financially dependent on the Christian Cultural Center.

Report on Summarized Comparative Information

We have previously audited Cultural Arts Academy Charter School At Spring Creek's 2013 financial statements and we expressed an unmodified audit opinion on those audited financial statements in our report dated November 1, 2013. In our opinion, the summarized comparative information presented herein as of and for the year ended June 30, 2013 is consistent, in all material respects, with the audited financial statements from which it has been derived.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated October 31, 2014, on our consideration of Cultural Arts Academy Charter School At Spring Creek's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Cultural Arts Academy Charter School At Spring Creek's internal control over financial reporting and compliance.

CULTURAL ARTS ACADEMY CHARTER SCHOOL AT SPRING CREEK

NOTES TO FINANCIAL STATEMENTS JUNE 30, 2014

1. NATURE OF THE ORGANIZATION

Cultural Arts Academy Charter School At Spring Creek (the "School") is a public charter school, as defined by Article 56 of The New York State Education Law, which provides education based on an academically rigorous arts education program that promotes superior scholarship and strong cultural arts proficiency. On February 9, 2010, the Board of Regents of the University of the State of New York (the "State") granted the School a provisional charter valid for a term of five years and renewable upon expiration. The School operates under this charter and the State is responsible for oversight of the School's operations. The School is in the process of renewing its charter.

On November 10, 2010, the School, as determined by the Internal Revenue Service, was approved for Federal income tax exemption under section 501(a) of the Internal Revenue Code ("IRC") as an organization described in Section 501(c)(3) of the IRC. It is also currently exempt under a similar provision under New York State income tax laws. The School has also been classified as an entity that is not a private foundation within the meaning of Section 509(a) of the IRC and qualifies for deductible contributions as provided in section 170(b)(1)(A)(ii) of the IRC. The School's primary sources of income are per pupil and other government funding.

The School operated classes for students in kindergarten through fourth grade in fiscal year 2014, and kindergarten through third grade in fiscal year 2013.

Enrollment of available classroom slots is open to all potential student candidates with preference given to children residing in the district of southeast Brooklyn. A lottery is held to award these available spots. If one child in a family is selected in the lottery then all eligible children in the family are accepted for enrollment.

2. SIGNIFICANT ACCOUNTING POLICIES

Financial Statement Presentation

The School's financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

The classification of the School's net assets and its support, revenues and expenses is based on the existence or absence of donor-imposed restrictions. It requires that the amounts for each of the three classes of net assets – permanently restricted, temporarily restricted, and unrestricted – be displayed in a statement of financial position and that the amounts of change in each of those classes of net assets be displayed in a statement of activities.

These classes are defined as follows:

Permanently Restricted – Net assets resulting from contributions and other inflows of assets whose use by the School is limited by donor-imposed stipulations that neither expire by passage of time nor can be fulfilled or otherwise removed by actions of the School.

Temporarily Restricted – Net assets resulting from contributions and other inflows of assets whose use by the School are limited by donor-imposed stipulations that either expire by passage of time or can be fulfilled and removed by actions of the School pursuant to those stipulations. When such stipulations end or are fulfilled, such temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities. However, if a restriction is fulfilled in the same period in which the contribution is received, the School reports the support as unrestricted.

Unrestricted – The part of net assets that is neither permanently nor temporarily restricted by donor-imposed stipulations.

2. SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Cash

Included in cash is an escrow account of \$75,071, which is held aside for contingency purposes as required by the Education Department of the State University of New York ("SUNY").

Grants Receivable

Grants receivable represent amounts due from federal grants. Grants receivable are expected to be collected within one year, are recorded at net realizable value, and amounts to \$40,402 and \$49,938 at June 30, 2014 and 2013, respectively. The School has determined that no allowance for uncollectible accounts for contributions receivable is necessary as of June 30, 2014 and 2013. Such estimate is based on management's assessments of the creditworthiness of its grantors, the aged basis of its receivables, as well as current economic conditions and historical information.

Revenue Recognition

Revenue from the state and local governments resulting from the School's charter status is based on the number of students enrolled and is recorded when services are performed in accordance with the charter agreement.

Revenue from federal, state and local government grants and contracts are recorded by the School when qualifying expenditures are incurred and billable. Funds received in advance for which qualifying expenditures have not been incurred would be reflected as refundable advances from state and local government grants in the accompanying statement of financial position.

Donated Goods and Services

The School receives contributed goods and services that are an integral part of its operations. Such goods and services are only recorded as contributions in-kind at their fair value, provided they meet the criteria for recognition. Donated goods are recognized if the goods provide a benefit to the School and would have otherwise been purchased. Donated goods consist of student meals and are estimated at \$268,351 and \$225,176 for the years ending June 30, 2014 and 2013, respectively, and are reflected as both income and expense in the accompanying financial statements.

Property and Equipment

Property and equipment are stated at cost and are depreciated on the straight-line method over the estimated useful lives of the assets. The School has established a \$10,000 threshold above which assets are capitalized. Maintenance and repairs are charged to expense as incurred; major renewals and betterments are capitalized.

Impairment

The School reviews long-lived assets to determine whether there has been any permanent impairment whenever events or circumstances indicate the carrying amount of an asset may not be recoverable. If the sum of the expected future undiscounted cash flows is less than the carrying amount of the assets, the School recognizes an impairment loss. No impairment losses were recognized for the years ended June 30, 2014 and 2013.

CULTURAL ARTS ACADEMY CHARTER SCHOOL AT SPRING CREEK

NOTES TO FINANCIAL STATEMENTS JUNE 30, 2014

2. SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Deferred Rent

In accordance with U.S. GAAP, rent expense is recognized on a straight-line basis over the life of the lease, including future escalations of rent, rather than in accordance with lease payments. Deferred rent represents the adjustment to future rents as a result of using the straight-line method.

Functional Allocation of Expenses

Expenses that can be directly identified with the program or supporting service to which they relate are charged accordingly. Other expenses by function have been allocated among program and supporting service classifications based upon benefits received.

Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Subsequent Events

The School has evaluated events through October 31, 2014, which is the date the financial statements were available to be issued.

Comparative Financial Information

The June 30, 2014 financial statements include certain prior year summarized comparative information in total but not by net asset class. In addition, only certain notes to the financial statements for June 30, 2013 are presented. As a result, the June 30, 2013 comparative information does not include sufficient detail to constitute a presentation in conformity with U.S. GAAP. Accordingly, such June 30, 2013 information should be read in conjunction with the School's financial statements as of and for the year ended June 30, 2013, from which the summarized information was derived.

Income Taxes

The School follows the accounting standard for uncertainty in income taxes. The standard prescribes a minimum recognition threshold and measurement methodology that a tax position taken or expected to be taken in a tax return is required to meet before being recognized in the financial statements. It also provides guidance for derecognition, classification, interest and penalties, disclosure, and transition.

The School files an informational return in the federal jurisdiction. The School is subject to federal income tax examination by tax authorities for all fiscal years in which informational returns were filed.

The School believes that it has appropriate support for the positions taken on its tax returns. Nonetheless, the amounts ultimately paid, if any, upon resolution of the issues raised by the taxing authorities may differ materially from the amounts filed. Management believes that its nonprofit status would be sustained upon examination.

Should there be interest on underpayments of income tax, the School would classify it as "Interest Expense." The School would classify penalties in connection with underpayments of tax as "Other Expense."

NOTES TO FINANCIAL STATEMENTS JUNE 30, 2014

2. SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Recent Accounting Pronouncement

In May 2014, the Financial Accounting Standards Board ("FASB") issued an accounting standard update which affects the revenue recognition of entities that enter into either (1) certain contracts to transfer goods or services to customers or (2) certain contracts for the transfer of nonfinancial assets. The update indicates an entity should recognize revenue in an amount that reflects the consideration the entity expects to be entitled to in exchange for the goods or services transferred by the entity. The update is to be applied to the beginning of the year of implementation or retrospectively and is effective for annual periods beginning after December 15, 2017 and in interim periods in annual periods beginning after December 15, 2018. Early application is permitted but no earlier than annual reporting periods beginning after December 31, 2016. The School is currently evaluating the effect the update will have on its financial statements.

Reclassification

The prior year statement of cash flows has been reclassified from the indirect method to the direct method in the current year financial statements. This reclassification had no effect on previously reported change in net (deficit) assets.

3. LIQUIDITY

The School has incurred significant operating losses during the past two years and has a net deficit of \$159,187 at June 30, 2014.

Management has obtained a letter from Christian Cultural Center Inc. ("CCC"), a related party whose founder is a board member of the School, committing to provide financial support through the next fiscal year end while the School reviews its operations to achieve efficiencies.

The School is working on securing more government funding, as well as additional funding from private grantors. Management believes that these actions will enable the School to continue operations through July 1, 2015.

4. PROPERTY AND EQUIPMENT

Property and equipment consist of the following at June 30:

	2014	2013	Estimated Useful Lives
Furniture and fixtures	\$ 135,491	\$ 135,491	7 years
Computer hardware and software	<u>82,184</u>	<u>82,184</u>	5 years
	217,675	217,675	
Less: accumulated depreciation	<u>(97,141)</u>	<u>(61,346)</u>	
	<u>\$ 120,534</u>	<u>\$ 156,329</u>	

Depreciation expense for the years ended June 30, 2014 and 2013 was \$35,795 and \$30,014, respectively.

CULTURAL ARTS ACADEMY CHARTER SCHOOL AT SPRING CREEK

NOTES TO FINANCIAL STATEMENTS JUNE 30, 2014

5. RELATED PARTY TRANSACTIONS

The School has a five year operating lease agreement with CCC, a not-for-profit organization, which commenced on July 1, 2010 and expires on June 30, 2015. The lease has escalating amounts of occupancy square footage from 15,000 square feet in 2011 to 28,000 square feet in 2015, as defined in the lease agreement. The chief executive officer of CCC is a founding member and board member of the School. No rent was paid during the first fiscal year. The first installment of rent was paid on July 1, 2011, the commencement date of the second fiscal year.

On September 1, 2012, the School amended its lease with CCC. The School is to pay rent in the amount of \$35,000 a month from September 1, 2012 through June 30, 2015. The School now occupies the entire 28,000 square feet of the premises.

Future minimum lease payments (including the amended lease) are as follows:

<u>Year</u>	<u>Amount</u>
2015	\$ 420,000

6. PENSION PLAN

Effective September 1, 2011, the School adopted a 403(b) profit sharing plan (the "Plan") which covers most of the employees. The Plan is a defined contribution plan. Employees are eligible to enroll in the Plan on the first day of employment or the first day of the first, fourth, seventh, or tenth month of the Plan year, if they are at least 21 years in age. The Plan provides for the School to make discretionary contributions. The School contribution does not become vested until the participant's sixth year when it becomes fully vested. For the years ended June 30, 2014 and 2013, the School did not contribute to the Plan.

7. RISK MANAGEMENT

The School is exposed to various risks of loss related to torts; thefts of, damage to, and destruction of assets; injuries to employees; and natural disasters. The School maintains commercial insurance to help protect itself from such risks.

The School entered into contractual relationships with certain governmental funding sources. The governmental agencies may request return of funds as a result of noncompliance by the School. The accompanying financial statements make no provision for the possible disallowance or refund.

8. CONCENTRATIONS

Financial instruments that potentially subject the School to concentrations of credit risk consist principally of cash deposits at a major financial institution that, at times, exceeded the Federal Deposit Insurance Corporation insured limits of \$250,000.

The School received approximately 88% and 89% of its total revenue from per pupil funding from the New York City Department of Education during the years ended June 30, 2014 and 2013, respectively.

Two grantors accounted for approximately 98% of grants receivable at June 30, 2014. Three grantors accounted for 100% of grants receivable at June 30, 2013.

Two vendors accounted for approximately 59% of accounts payable at June 30, 2014. Three vendors accounted for approximately 82% of accounts payable at June 30, 2013.

Independent Auditor's Report on Internal Control over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance With Government Auditing Standards

To the Board of Trustees
Cultural Arts Academy Charter School At Spring Creek

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the financial statements of Cultural Arts Academy Charter School At Spring Creek (the "School"), which comprise the statement of financial position as of June 30, 2014, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated October 31, 2014.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the School's internal control over financial reporting ("internal control") to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the School's internal control. Accordingly, we do not express an opinion on the effectiveness of the School's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the School's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations during our audit, we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the School's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion.

The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

We noted certain other matters that we reported to management of the School in a separate letter dated October 31, 2014.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the School's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the School's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

An Appendix E: Disclosure of Financial Interest Form must be completed for each active Trustee who served on the charter school's Board of Trustees during the 2013-14 school year. Trustees are at times difficult to track down in the summer months. Trustees may complete and submit at their leisure (but before the deadline) their individual form at:

<http://fluidsurveys.com/surveys/vickie-smith/appendix-e-trustee-disclosure-form/>. Trustees may download and/or email their forms to you upon completion.

Trustees who are technologically advanced may complete the survey using their smartphones or other mobile devices by downloading the this bar code link to the survey <https://fluidsurveys.com/account/surveys/540612/publish/qrcode/>. (Make sure you have the bar code application reader on your phone).

If a Trustee is unable to complete the form by the deadline (i.e, out of the country), the school is responsible for submitting the information required on the form for that individual trustee.

Just send the links via email today to your Trustees requesting that they each complete their form as soon as possible.
Thank you.

Yes, each member of the school's Board of Trustees has received a link to the Disclosure of Financial Interest Form.

ENROLLMENT AND RETENTION EFFORTS

Cultural Arts Academy Charter School at Spring Creek admits students of any gender, race, color, religion, disability, national and ethnic origin to all the rights, privileges, programs, and activities generally accorded or made available to students at the school. It does not discriminate on the basis of gender, race, color, religion, disability, national and ethnic origin in administration of its educational policies, admissions policies, arts, athletic, and other school-administered programs.

Our recruitment initiatives will include handing out flyers, attending school fairs, going to local churches, meeting local representatives, and attending community events, radio spots, newspaper articles, and interviews. Social media like Facebook and Twitter are also two methods we will use. Our website can be viewed in multiple languages. We will connect all of these on our website, enabling visitors to see any kind of activity happening with the school.

SWD: Students With Disabilities

CAACS collaborates with our local Committee on Special Education for District 18. Since 2011-2012, we have been a member of the NYC Charter Center Special Education Collaborative and will continue to participate. This organization, the NYC Special Education Collaborative, focuses on assisting schools with starting and operating successful special education programs. Specific benefit details for all four types of membership are available for download.

- **Program Support:** Dedicated hours of support, technical assistance, and NYCDOE advocacy!
- **Conferences:** Annual conference admission and seats at mini-conference series with national speakers!
- **Staff Training:** Verbal de-escalation and restraint training, monthly instructional training, counseling staff support, discounts to fee-based training!
- **Teacher Recruitment:** Career fair table and job postings
- **Resources:** Common Core IEP goal bank access, access to resource library

We host an annual breakfast for all of our families who have students with disabilities. All of our service providers make a presentation and we exhibit curriculum and assistive technology that our parents can order.

Brochures that describe our special education programming have been distributed throughout the community. In order to reach the families of special needs students, we utilize many networks that already exist in the community. CAACS will continue to build relationships with support organizations to gain familiarity with the services they provide. We will continue to create a database of support services to the families so these organizations know about our school and its special education program and make recommendations to the families they serve. We know that most families hear about our school by word of mouth. Additionally, members of our CAACS staff have their own children who

receive special education services, they are also connecting us with information and programs that they use for their own children.

ELL: English Language Learners

- Translate all materials into the predominantly spoken languages of our district and community
- Use non-English media, approach community- and faith-based organizations serving the language group, recent immigrant support services
- Describe our ELL programs in our marketing materials
- Describe programs at all recruiting/outreach events and on our website

Advertisements have been placed in the following publications: the Canarsie Courier and the Spring Creek Sun. In these publications we specifically mentioned that the school provides services to students for whom English is their second language, as well as SWD's. Fliers were distributed in English, Haitian Creole and Spanish to families throughout the community. Distribution sites included daycare centers, grocery stores, community centers, and churches. These fliers invite families to attend the Annual Open House. To ensure the retention of accepted students, and in compliance with federal requirements to identify potential ELL students, the school asked these families to complete a "Home Language Questionnaire." Information from this survey ensures that each child for whom English is a second language is provided the services he/she needs to succeed in school.

We will continue to monitor the efficacy of our recruitment and enrollment efforts by carefully tracking student enrollment numbers. Through our robust data warehouse, we collect detailed information on trends in at-risk student populations, report to the Board on enrollment trends, and adjust the marketing strategy, as needed.

FRL – Free and Reduced Lunch

We will identify students in households receiving TANF or SNAP/Food Stamp benefits because they can be automatically enrolled in. CAACS will promote the benefit on the website and include the user-friendly link on our school homepage, connecting parents to the online application. We will utilize face-to-face time with parents and families at parent meetings and parent-teacher conferences to explain the application and encourage families to return it, and offer incentives like stickers or gift cards for returned applications. We will also let students know it benefits the school, to help reduce the stigma of handing them in, and include an article in our weekly newsletter. The article can address some of these points:

- Families can help their schools by returning their applications, even if they choose not to participate in the school lunch program. It is important to count the number of students who qualify, to ensure the school and community get the resources they need
 - Families who don't qualify can reapply at any point in the school year, if family size or income changes.
 - Studies have shown that students who eat from the National School Lunch Program are more likely to eat more vegetables, drink more milk and fewer sweetened drinks, and eat fewer cookies and salty snacks than students who make other lunch choices.

Charter School Name: 331800860988 CULTURAL ARTS ACADEMY-SPRING CREEK

Note Definition of FTE:

Full-time equivalent employees equal the number of employees on full-time schedules plus the number of employees on part-time schedules converted to a full-time basis. The number of full-time equivalent employees in each industry is the product of the total number of employees and the ratio of average weekly hours per employee for all employees to average weekly hours per employee on full-time schedules. An industry's full-time equivalent employment will be less than the number of its employees on full- and part-time schedules, unless it has no part-time employees (U.S. Commerce--Bureau of Economic Analysis at: http://www.bea.gov/faq/index.cfm?faq_id=368#sthash.8Rbj89kq.dpuf)

How many UNCERTIFIED Full-Time Equivalent Teachers were employed in the charter school as of last day of school in 2013-14?

For each applicable category (i-iv), input the relevant full time equivalent (FTE) count of teachers.

	FTE
(i) uncertified teachers with at least three years of elementary, middle or secondary classroom teaching experience	2
(ii) tenured or tenure track college faculty	0
(iii) individuals with two years satisfactory experience through Teach for America	0
(iv) individuals who possess exceptional business, professional, artistic, athletic, or military experience	0
Total FTE (Sum of all Uncertified Teaching Staff)	2

How many CERTIFIED Full-Time Equivalent Teachers were employed in the charter school as of the last day of school in 2013-14?

STRATEGIC LEADERSHIP TEAM: Strategic leadership focuses on the long-term purposes and goals of an organization. Strategic leadership teams provide a stimulating and challenging environment for people to grow, where their talents and skills are liberated in the accomplishment of organizational goals. Members of the team know that their contributions are valued and that they are an essential part of the team. Because they believe in the values and purpose of the organization, and they believe in their leaders and that the leadership has their best interests at heart, they are willing to make sacrifices for the good of the organization. Strategic leaders safeguard morale. Strategic leadership creates a team that is resilient and robust in the face of challenges and obstacles, providing intrinsic motivation in the face of hardship and setbacks.

OPERATIONAL LEADERSHIP TEAM: CAACS Operational leaders build the structures and systems that allow the strategic leader(s) vision and objectives to be achieved, while providing a framework for inspired action by the organization's tactical leaders. They create systems to support the values of the organization and its leadership and to encourage a culture and behavior patterns that are congruent with the vision. It is the responsibility of each leader, as a team member, to provide the leadership necessary to increase team performance.

Principles of CAACS Operational Leadership

1. “People” is where you need to focus the majority of your time. Learn about them, know them, and understand what makes them tick, help them and serve them. They can cause you the greatest pain or the greatest joy and success.
2. “Processes”: To gain more time and spend less time “fighting fires”, write processes.
3. “Policies”: In great companies, people know what they are supposed to do, how they are supposed to do it and they know what they are not supposed to do. Write policies to have things done in a certain way.
4. “Systems”: There is software and tools to do just about anything for you. Find those systems, learn, them, train others on them and use 100% of them.
