

# COVID-19 Recovery: Federal Funds Survey for Cultural Arts Academy Charter School

We are applying for funds from the federal government to support the safe reopening of schools and provide opportunities to address the impacts of lost instructional time resulting from the COVID-19 pandemic.

As part of the process to plan how we will use the funds, we are seeking your input. Please use this survey to provide your input.

If successfully awarded the funds, we will share our progress in using these funds and give you another opportunity to provide feedback on the implementation of the ARP funding plan in six months.
